Dear Class of 2014:

Nostalgia never really leaves you – it remains embedded in the back of your mind, dancing in the crevices. Whether you read this right after graduation or a few years from now, you will find yourself wondering this: "How was I ever a freshman?" In the four years of high school shared, we all took different paths to reach the final destination of walking across the stage – to be able to reach for our diploma. The path I chose was one of a challenging nature – I wanted to prove myself to you – to become the valedictorian you would all be proud of knowing. In addition to saying the morning announcements, I immersed myself in other school activities such as volleyball, Math Olympics, Student Council, our "East Side Announcer", the school newspaper, and National Honor Society; however, my position as a student of the Early College Program yielded a challenge of being able to balance everything. I learned to establish equilibrium – this equilibrium would extend to my finding solace in writing. My love for the written word has inspired me to pursue a career in Journalism and studying English. To do so, I will be attending Seton Hall in September 2014. My fellow classmates, as your nostalgia slowly comes to a close, I'd like to leave you this: "Nostalgia is like a grammar lesson: you find the present tense and the past perfect." – Owens Lee Pomeroy

This is perhaps the most significant of all the things we have achieved in our life. The time, for which we all have been waiting for so long, has finally come. We have done it. However, we are as much worried as relieved. Our journey does not nor will end here. A journey that is even longer waits for us ahead. Leaving the familiar territory behind, we are to enter an unknown world. Let our past guide us into the future as we begin the adventure; let our instincts take the charge; let our fears and weaknesses not to obstruct our progress; let ourselves expand and not be halt by any limitations. As we mark the new beginning, let ourselves never forget: "once an East Sider always an East Sider."

SPORTS

You're going to have run faster than that
to catch East Side!

Unlike other schools that have full length football fields and adequate practice facilities, the East Side Red Raider football team continues to make due with what they have and go out and compete. This football season saw devastating losses to three playoff bound teams. The bright spots were beating Barringer 19-0 and hard fought loses to West Side 23-14, Central 12-6, Montclair Kimberly Academy 14-13, and Verona 33-22. This has fueled the fire for a team to continue make due with what they have and attempt to produce a winning season for the upcoming year. Standouts were the juniors Al Montiero, William Jones, Wydir Miller, and Shuaib Ismael.

The clock is ticking away. Every second counts for the overall performance and place. The track team works hard to overcome every obstacle they encounter.

Red Raider captains are Kimberly Martins, Juan Medina, Jose Borrero, and Rudy Wallace. They did fantastic on the track. They inspired our young runners to maintain a high level of stamina to compete in Essex County Conference. Through hard work and dedication, they had a very competitive season.

Our senior supporting cast, Reynor Cavalcante, Paul Olajide, and Ichiaka Doumbia, will be sorely missed.

We were rebuilding from last year's team which won the City Championship. Still, the underclassmen, Edwin Regalado, Diogo Cunha, Mariselys Urena, Alfonso Huacan, Ines Ferreira, Naes Williams, Neralie Ramirez, and Carmen Melendez, were serious about meeting the challenge.

We have high hopes for the future which will feature a host of freshmen and sophomores. They look to be a talented group, and their high expectations will lead the East Side Red Raiders to another championship.

Seniors, Ana Vilaverde, Olivia Lason, and Marlene Cerqueira, leading the way!

In the last four years, seniors Olivia Lason, Rita Matos, Ana Vilaverde, and Marlene Cerqueira have been coached by four different coaches, and have seen an innumerable number of teammates come and go. This inconsistency played a vital role in their ability to play, however they still remained a team. The connection that these young ladies had forged a stronger more connected team. To them, their record did not matter. These young ladies stood together and fought for every point.

Akbar Hoffman scores his 1,000th point for the Red Raiders!

The 2013-2014 Boys Basketball season was a remarkable one. This season, East Side set a school record with 30 wins and only 2 losses, including its second consecutive Group 3 state title and first Essex County title since 2003. Like it had throughout the season and its state tournament run, East Side displayed a suffocating defense and a relentless effort, which allowed the team to overcome just about every obstacle it faced. Led by seniors Akbar Hoffman, Abdul Lewis, Ismael Sanogo, Jamar Gilbert, Re'Quan Lynn, Elijah Afuola and Antonio Willis along with juniors Ahmad Harrison, Jibreel Ahmad and Taj Price, East Side set a school record with 30 victories, won the Newark, Essex and Group 3 titles in convincing fashion and reached the Tournament of Champions final for the first time. The team finished the season ranked by The Star-Ledger and NJ Hoops as the #2 ranked team in New Jersey, and by MSG Varsity as the Tri-State's #2 team, and by USA TODAY as the country's #15 team. That lasting impact of this team will come when Ismael Sanogo enrolls at Seton Hall University, Abdul Lewis attends South Alabama and Jamar Gilbert, a fully qualified senior, gets the scholarship offer his coaches feel he deserves. Coach Garvin and Coach Tavares wish the seniors nothing but the best in their futures. They have been a pleasure to coach - phenomenal student athletes who have represented the city and East Side to the fullest!

The East Side Hockey team came into the season with a mix of both veteran and younger players. Despite playing teams with far more experience, the Red Raiders Hockey team provided some memorable moments that will lead to future success. Lead by senior Co-Captains Thiago Araki and Anthony Dos Santos, the team improved throughout the season. The leadership that the captains and fellow seniors provided a new standard for Newark's only high school hockey team. The 2013-14 season also marked the first season of the Girl's Hockey team which set a new school record of enrollment for girl's hockey.

ICE HOCKEY

The 2013-2014 Wrestling Team enjoyed a confidence building season to finish with a record of 9-14. Even though the record may not be flashy, one must realize where this program has come from. With no feeder or Rec. Program, most of our student-athletes only begin learning this sport as 9th Graders.

The 9 Wins this Season are the most in over a decade and our team was recognized for their great determination, grit, and perseverance as we were ranked #10 in Essex County at seasons end. This was a first for our program. Our wrestlers hard work also earned us the honor of being named Liberty Division Conference Champs. All of this success would not be successful without the great leadership of Head Coach Kevin Jardim and Asst. Coach Pedro Marques. Both are former wrestlers for East Side and are looking to turn the program around and establish a tradition of excellence. They are off to a great start as Coach Jardim was named District 14 Head Coach of the Year and Coach Marques earned District 14 Asst. Coach of the Year honors.

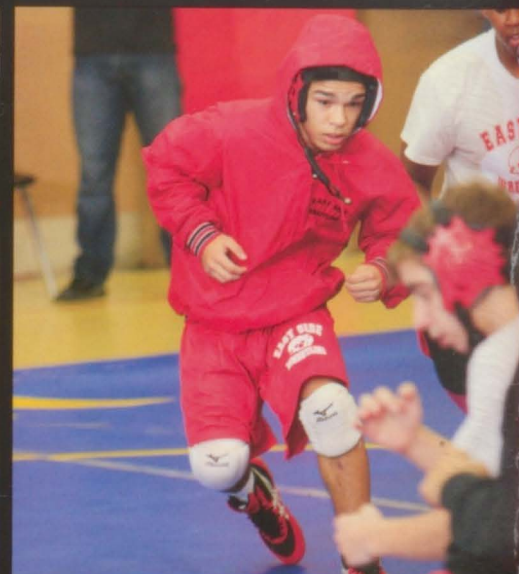

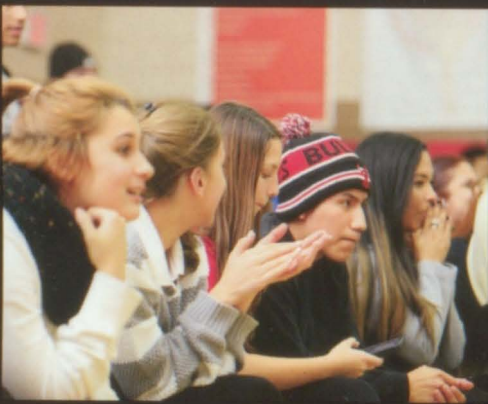

The team looks to have a promising future as it is only losing one senior in Dan Barahona (6-10) on the season. Dan was a 4 year wrestler who was a great role model on what a student-athlete is expected to look like. We wish Dan all the best in his college endeavors and know the values he learned from wrestling will be instilled in him for life.

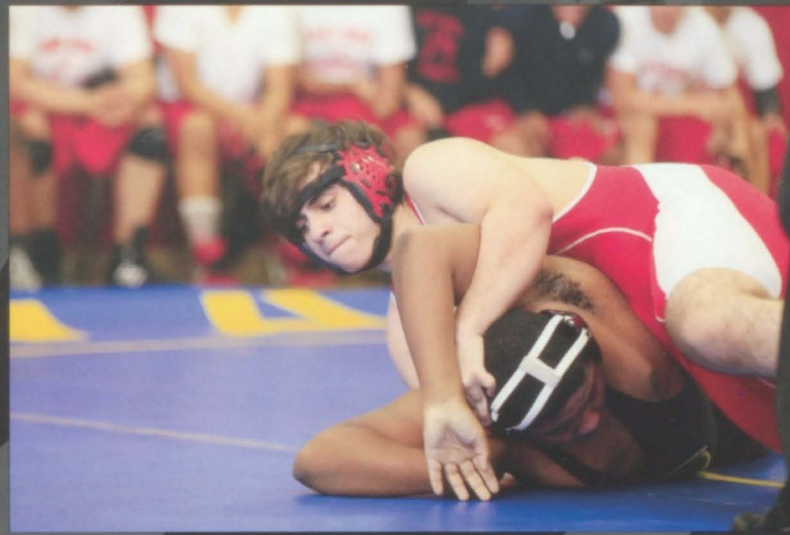

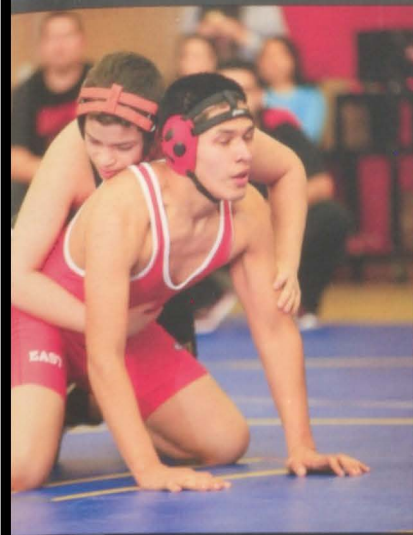

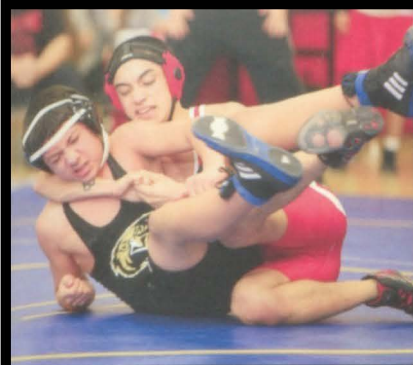

The team this year had outstanding performances from Junior Co-Captains Keven Hernandez and Daniel Silva. Keven finished his season with a record of (19-11) and earned his 1st District Championship at 113lbs. He has improved every season and set the tone for his fellow mates. Daniel had a record of (19-16) at 170lbs. battling through injuries all season and earned a 5th place finish at the Essex County Tournament. He was the heart of this squad and a great example of what it means when we talk about not quitting. Both were also named 1st Team All-Conference. I know both of these young men will look to make it to Atlantic City next year.

Other members of the team who were an integral part of our success were Junior, Randy Ross (13-13) at 152lbs. and Sophmores Anthony Santiago (18-8) at 106lbs and Michael Da Rocha (9-14) at 145lbs. Anthony in his 1st year of wrestling was also named 1st Team All Conference. We expect great things from these guys over the next couple of seasons as well.

Keven Hernandez was the District XIV Champion at 113 pounds. Congratulations!

Do to the terrible winter weather this year; the swim team's season was cut short. The team was only able to participate in 5 competitions and lost much valuable practice time. However, the team was able to overcome the obstacles mainly because of the great leaders in charge. Katty Larrea, 4 year swimmer, led the way for the girls and Juan Saavedra took charge of the boys.

The other seniors were Diana Carvalho, Sabrina Costa, Marco Barahona, Juan Martinez, Christofer Orellana, Vanessa Albuquerque and Yesenia Parada. In addition, the swim team consisted of athletes from 4 high schools in Newark. The seniors will surely be missed not only because of their skills but because of their dedication to the team and the sport.

Hope springs eternal as this year's Raiders take the field to defend their City Championship and shoot for the grand prizes of Greater Newark Tournament and State Group III titles. A determined bunch led by a deep and talented pitching staff: seniors Matt Tirado, Edgardo Gonzalez, Juan Rodriguez, Jason Fidalgo and junior Sway Russell will be the backbone of the squad. The defense will be anchored by slick fielding senior shortstop Javier Made, who will also pitch and leadoff. Seniors Phil Ingles will man the "hot corner", Nick Rego 1b, and Raul Torres 2b. Seniors Tommy Vargas, Kevin Carrillo, Jordan Silva and Qumer Carter will cover the outfield with speed and aplomb. Junior catcher Randi Almonte is back from an injury and young sophomore Ilys Corchado will see plenty of action at the backstop. Sophomore Jason Reeves plays 1b and freshman Angel Soler will patrol the outfield.

The Raiders have been working hard to improve their run production this year. Better knowledge of the strike zone, two-strike hitting, having an aggressive mental set are important elements to that improvement. Everyone feels that better hitting, coupled with sound pitching and defense, can be the formula for greater success. The upgraded schedule, which includes bouts with West Essex, Columbia, Caldwell, Marist and Memorial, demands more runs scored. The coaching staff of Julian Jova, Saul Goldstein, Vic Fernandes, Eddie Diaz, Ivan Rodriguez and Jerry Battaglini are stressing the mental side of the offensive game. Everyone is excited that the 2014 season could be a memorable and fun experience.

The 2014 softball season looks to be a rebuilding year with only half the girls with varsity experience. Nevertheless, we have two very strong leaders in Yesenia Parada and Ines Caetano. Both captains are 4 year varsity starters and expect to lead our girls to another very strong season. Also coming back from last season is Alexa Alequin, Diana Calheiros, Brianna Rodriguez, Kimberlyn Correa, Alyssa Morales and Tianna Ortiz. Our new members include Carmen Melendez, Deanna Guerrero, Denise Almonte and freshmen Ashley Rivers and Emily Vega. Good Luck Girls!

Leading by example.

The 2014 East Side Boy's Lacrosse Team enters its sixth varsity season with great expectations. After a 1-18 season in 2013, the team looks to go only upwards. Offensive leaders Felipe Pereira and Patrick Lovell will be missed. However, the return of a strong senior class and seasoned veterans Anthony Lopez, Juan Martinez, Cristofer Orellana, Christopher Valentin, Cristian Valle and Juan Saavedra along with a stable of young talent should ensure a successful season. Look for the Red Raiders to vanquish more opponents in 2014.

With only one returning player the ESHS Golf Team is poised to be a major contender in the next several years. With a predominately Freshman team sprinkled with several upper classmen, the squad has their sights looking upward for Birdies and Eagles!

When we cheered, they cheered!
It is always a team effort.

The East Side High School Cheerleading Team had a very busy year. They braved the extremely cold weather to cheer our football team on. The winter season brought them indoors to cheer our Boys' Basketball team to a Group III State Championship and a Silver Ball in the New Jersey Tournament of Champions. The success of the Boys' Basketball team allowed our Cheerleading team to cheer in some of New Jersey's largest stages: The Rutgers University Athletic Center in New Brunswick, and the Sun National Bank Center in Trenton where they demonstrated an expertly choreographed routine entitled: "Cheer Meets Hip-Hop"

East Siders in the News!!!

Extra! Extra! Read all about it...
Members of the East Side family made news in 2013-2014.
Here is your chance to relive the memories.

Youth Players Represent New Jersey Devils at Yankee Stadium

Malachi Clyburn announced as New Jersey Devils Kid Hero. "I think Malachi knocks down that stereotype as the kind of kid who likes hockey. Malachi went against the grain ... he was made fun of because he loved hockey so much and when you find a passion like that, Malachi didn't care what any one said to him," Veltre said. "What happened was, he found something that he absolutely loved and for me, that's courage, that's character, that's a leader ... to honor him and his mother ... it was a great day that both him and his mom deserved."

East Side (29-1), No. 1 in The Star-Ledger Top 20

Ismael Sanogo remembers the words that some people told him as an eighth grader when he decided to go to Newark East Side instead of a Non-Public power for high school. "You're making a mistake," was what he heard. Teammates such as Akbar Hoffman and Abdul Lewis heard similar comments as well. There aren't too many doubters left. This season East Side stormed its way to its second-straight Group 3 championship and its first Essex County Tournament title since 2003.

East Sider was one of the real-life 'Monuments Men'

Ettlinger, a German-born Jew, immigrated to Newark with his family in 1938, as Adolf Hitler's power continued to grow. As a translator in the Monuments, Fine Arts and Archives program, Ettlinger helped uncover and return some of the more than 5 million paintings, sculptures and other cultural icons that had been seized and hidden away by the Third Reich.

Bryant Garvin and Anthony Tavares are The Star-Ledger's boys basketball State Coaches of the Year.

For 14 seasons Anthony Tavares and Bryant Garvin have preached a message of family, working together and sacrificing for the good of the team to their players at Newark East Side. And they did it all together as a team. For that reason, Garvin and Tavares are always quick to cite the contributions and work done by dedicated assistants Uron Hawkins, Dan Sharpe, Troy Long, Edwin Mendez, John Thomason and Lamar Williams.
